Department of Fisheries

Important policy decisions taken and major achievements during the month of June, 2019.

Fisheries Sector

- i. The Government of India has created a new Ministry for Fisheries, Animal Husbandry and Dairying with two separate Departments i.e. the Department of Fisheries and the Department of Animal Husbandry and Dairying vide Cabinet Secretariat's Notification No. 1/21/7/2019-cab dated 17.06.2019.
- ii. Shri Giriraj Singh, Hon'ble Union Minister of Fisheries, Animal Husbandry and Dairying (FAHD), Dr. Sanjeev Kumar Balyan, Hon'ble Minister of State for FAHD and Shri Pratap Chandra Sarangi, Hon'ble Minister of State for FAHD, took a series of meetings to review the fisheries sector and set the developmental agenda for first 100 days, 2 years and 5 years. Honorable Ministers had a detailed meeting with the ICAR Fisheries Research Institutes to identify possible areas of collaboration in the fisheries sector, new technological interventions, ways and means of transfer of research from lab to land etc.
- iii. The coordination and review meeting after creation of Department of Fisheries was held under the chairmanship of Shri Giriraj Singh, Hon'ble Union Minister of FAHD with the Principal Secretaries/Secretaries of State/Union Territories (UTs) Fisheries Departments. Various issues relating to development of fisheries sector, Hon'ble Prime Minister's vision of doubling fish farmers incomes', effective implementation of central schemes in the states /UTS, the proposed Pradhan Mantri Matsya Sampada Yojana (PMMSY) and the World Bank Project, the proposed marine fisheries legislation, the draft National Mariculture Policy, the draft National Policy on Inland Fisheries and Aquaculture, issues pertaining to fisheries subsidies negotiations in WTO and Indian Ocean Tuna Commission (IOTC) were discussed besides setting priorities for sectoral growth.

Fisheries International Cooperation

- i. India hosted the 23rd Session of the Indian Ocean Tuna Commission (IOTC) and its associated meetings at Hyderabad during 09th – 21st June, 2019. IOTC is an important Regional Fisheries Management Organization (RFMO) responsible for the management tuna and tuna-like species in the Indian Ocean. 203 delegates from Contracting Parties of the Commission, Cooperating Non-Contracting Party, Observers, Invited Experts and IOTC Secretariat personnel attended the session. I have emphasized the need for regional cooperation among the IOTC member countries for responsible and sustainable management of tuna resources, the importance of coastal states being heard in the IOTC and the need for IOTC ensuring a level playing field between the developed and developing nations in the larger objective of poverty eradication. Given the economic importance of tuna resources to India in general and our fishers in particular, organizing this event enabled us to have a deeper insight into the current state of affairs of IOTC and its associated Committees and announced the intent of India to play a pivotal role in IOTC in the years to come. India objected to the use of historical catch data as baseline for quota allocation and also imposition of catch restrictions on tuna and tuna like resources. Accordingly, the IOTC resolution on catch reduction of the yellow fin tuna was

objected and hence the resolution is not binding on India. India also successfully ensured that the IOTC proposal on quota allocation principles based historical catch is deferred.
